

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF MINERALS MANAGEMENT)	
GROUP, INC. TO INCREASE RATES PURSUANT)	CASE NO. 2003-00432
TO KRS 278.485.)	

O R D E R

On November 24, 2003, Minerals Management Group, Inc. ("Minerals Management") submitted its application to increase its rates for gas being supplied to customers in Boyd County, Kentucky. Commission Staff requested information from Minerals Management for which a response was due on or before January 12, 2004. Minerals Management's response is now over three weeks overdue. When deadlines are set in the course of a case, it is important that every effort be made to adhere to those deadlines in order to process the case in a timely manner.

IT IS HEREBY ORDERED that Minerals Management shall respond to the Commission staff's data request on or before February 20, 2004, or Minerals Management's application shall be dismissed without prejudice to a future application to modify its rates.

Done at Frankfort, Kentucky, this 4th day of February, 2004.

By the Commission
